

Child Care Factsheet for Otsego County

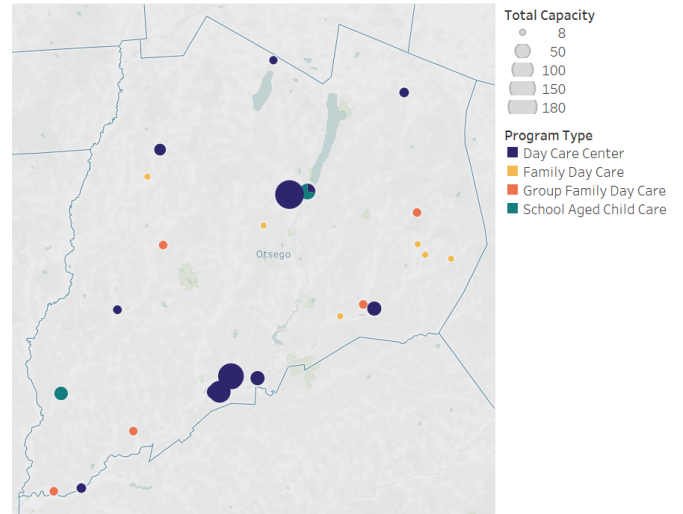

January 2024

Child care is a critical support for families with young children, employers, and New York state's economy. New York has made substantial investments in the child care system over the past few years, but more is needed to help the sector thrive. The supply of child care is not large enough to meet the needs of families, care is too expensive for many families to afford out-of-pocket, and the child care workforce is underpaid.

Otsego County has 2,343 children under the age of 5 and 23,989 children between 5 and 12 years old out of a total population of 59,678. In the county, 74% of families with children under 18 have all adults in the workforce, and 75% of mothers with children under 18 are in the workforce across the county.

In Otsego County, there were 40 child care programs in 2020 and 30 programs in 2024, a change of -25% over four years.
