**Children's Interfaith Weekend**

**What**
During Children's Interfaith Weekend, faith communities across Monroe County dedicate time to **hold children in prayer or intention** and **take action** on their behalf at worship services or special events.

**Why**
We are inspired by sacred texts and teachings. We **advocate** for effective policies and solutions for the health, education and success of children. We are especially committed to **children who are vulnerable** because of poverty, racism, health inequities and trauma.

**Who**
All faith-based communities and organizations are welcome to participate! Children's Interfaith Weekend is organized by the **Interfaith Collaborative**, a project of The Children's Agenda.

**When**
Children's Interfaith Weekend is modeled on the Children's Sabbath which is honored across the country on the third weekend in October.
